

Go with large E-news ads with added value — your advertisement will run for the next two weeks on our web site — all for the same investment.

Our ad sizes are formatted to Interactive Advertising Bureau IAB standards. Frequency is 24 times a year – coming out every second Wednesday. We call it the “Hump Day” Newsletter.

Our *e* Newsletter is also compatible with all mobile devices!

Print advertisers receive a significant rate break on *e* Newsletter advertising.

We are also able to provide all E-News advertisers with lead statements monthly.

Rate card for Canadian Process Equipment & Control E News
